

ECB Guidelines on Managing Children Away from the Club (as adopted by Whitland CC)

In any given season, as many as 50 per cent of matches can be played away from the club and that's without tours and festivals or similar events. For a club to be able to demonstrate its duty of care to the children in its team/s a robust generic protocol needs to be able to fit all occasions.

This section covers children being taken away from the club's normal base location and/or home ground, and provides guidance to help clubs define their own policies in connection with the effective management of children while in the club's care.

The first part covers guidance on managing children away from the club including all trips involving an overnight stay.

The second part covers additional guidance particular to trips that include an overnight stay.

These guidelines also apply to open age group teams where one or more players are under the age of 18.

In addition to the details in this section clubs are reminded that other parts of the safeguarding Kit Bag identify the need for clubs to:

- Follow ECB recruitment guidelines for staff and volunteer appointments
- Undertake risk assessments of venues and facilities
- Follow ECB supervision guidance for cricket activities involving children
- Have an agreed transport policy in place at the club
- Ensure the team has agreed to act within the appropriate ECB and/or Club Code of Conducts

These sections of the Kit Bag apply whenever children are taken away from their base location/home club.

Guidance for managing children away from the club including trips involving an overnight stay

A Team Manager should be appointed with clear roles and responsibilities including:

- **Establish and communicate the following information to parent(s):**
 - Why the trip is planned and what is its reason or purpose
 - When the trip will take place – date, time of departure and estimated time of return
 - Where the trip is to, including the destination and venue
 - Where the meeting points will be, at home and at the away venue
 - Staffing arrangements, including the name and contact details of the Team Manager responsible for the trip
 - Kit and equipment requirements
 - Details of cost implications, including the competition fee, any spending or pocket money needed and the transport costs
 - Name and contact number of the person acting as the 'Club Home Contact'
 - Arrangements for food and drink

- **Be in possession of a written copy of relevant emergency contact details and any medical information for all children taking part**

Determine appropriate staffing and staff training arrangements

- Wherever possible, a club should appoint a Head Coach and Team (tour) Manager, with the Head Coach and coaches taking responsibility for training and competition management of the team and the Tour Manager (and any other staff) taking responsibility for any other necessary support roles, such as chaperones
- All members of staff need to have a clear knowledge of their role and responsibility for the team
- All staff must go through an induction programme ensuring they understand the ECB “Safe Hands Policy”

- **Ensure there is a ‘Club Home Contact’ – a member of the club who is not travelling away, who will act as a contact point in an emergency. Ensure the Club Home Contact is provided with the following information to enable them to fulfil their role should they need to:**

- Names of players and staff on the trip
- Emergency contact names and phone numbers for each of the above
- Details of any medical or physical needs these persons may have
- Contact numbers for staff which can be used while the staff are on the trip
- Telephone numbers for the local police to the home club

The Club Home Contact should be a member of the club who has been appropriately vetted.

Additional guidance for trips including an overnight stay

Listed below is additional information the appointed Team Manager needs to act upon.

Detailed trip planning takes place including the need to:

- Identify suitable venues and facilities for both the cricket and accommodation
- If possible, ensure a visit to the tour facilities and venues is made before the trip, to enable an effective risk assessment to take place. (If this is not possible, a risk assessment should be sought from the tour operator or facilities management in advance of the trip)
- Conduct a risk assessment
- Sufficient planning is key to incident prevention. Conducting a risk assessment is an essential part of planning any trip
- Children must not be placed in situations which expose them to an unacceptable level of risk
- Analyse insurance cover required
- Clubs are advised to check their insurance policies for clarification of cover for matches away from their home club especially in relation to the supervision of children

When planning a trip it is important to allow sufficient time for all requirements to be completed.

Staff at the chosen accommodation must be contacted in advance to:

- Ensure all accommodation is clean and has access to sufficient toilet and bathing facilities
- Confirm that:
 - Players will not share a bed
 - Male and female players will not share a room
 - Staff do not share a room with players
 - Players of vastly differing ages do not share a room
- Establish if rooms are equipped with satellite TV, and whether inappropriate programmes may be available. (It may be possible to arrange for these programmes to be disconnected)
- Check the accommodation policy for extras on bills, breakages and lost keys
- Ensure the needs of players with disabilities are met. For wheelchair users, it is important to check access to the buildings, bedrooms and bathroom facilities
- Check where the staff accommodation will be and ensure players know which rooms staff are in and how to contact them if necessary
- Where possible, ensure rooms are not scattered around the hotel on different floors but grouped together
- Discuss the club's code of conduct and discipline policy
- Ensure all dietary requirements are catered for
